Art. 63. Orders placed on other places for execution, except the regulated market shall depend on the will of the contracting parties.

2.6. EXECUTION OF ORDERS

Art. 64. Client's orders shall **be executed** in compliance with the governing law, the

vigoare, Conditiiile Generale, Contractul pentru Furnizarea de Servicii de Investitii.

Art. 65. Ordinele se vor introduce doar dupa ce clientul si-a exprimat consimtamantul expres cu privire la aceasta Politica.

Art. 66. (1) Ordinele clientului se vor executa cat mai rapede, cu exceptia cazurilor in care tranzactiile sunt in dezavantajul clientului.

(2). Ordinele de vanzare a instrumentelor financiare care nu sunt disponibile in sub-contul clientului al contului BULBROKERS la depozitar, vor fi adaugate dupa initierea lor in sub-cont.

Art. 67. BULBROKERS va notifica clientul in avans despre toti parametrii unei tranzactii in care poate intra ca rezultat al initierii unui ordin al clientului.

Art. 68. BULBROKERS va executa ordinele clientului in urmatoarele conditii:

- Inregistrare imediata si trimiterea ferma a ordinelor spre executie;
- Executarea imediata a ordinelor identice ale clientului in ordinea primirii lor, exceptand cazurile in care caracteristicile ordinului sau conditiile curente ale pietei fac imposibil acest lucru sau interesele clientului impun un alt mod.

Art. 69. BULBROKERS va informa clientul neprofesional despre dificultatile obiective ce au aparut si care obstrukioneaza executarea corecta a ordinelor, imediat dupa ce a luat la cunostinta de aceasta.

Art. 70. In cazul in care BULBROKERS se obliga sa initieze sau sa se ocupe de decontarea unui ordin executat de el in numele clientului, acesta trebuie sa ia toate masurile necesare pentru a se asigura ca toate instrumentele financiare ale clientului sau numerarul sunt transferate imediat dupa decontare si cu acuratete in conturile clientului respectiv.

Art. 71. BULBROKERS nu are dreptul sa abuzeze de orice informatie cu privire la ordinele in curs ale clientilor si trebuie sa asigure toate masurile necesare de preventie a asemenea abuzuri de catre orice persoana ce lucreaza pentru intermediarul de investitii.

Art. 72. Cea mai buna executie a unui ordin se realizeaza, atunci cand BULBROKERS a facut eforturi rezonabile si fezabile pentru a stabili cel mai bun pret

General Conditions, the Contract for Provision of Investment Service.

Art. 65. Orders shall only be placed after an initial explicitly given consent of the client to the Policy.

Art. 66. (1) Client's orders shall be executed as soon as possible, unless it would be obviously disadvantageous for the client.

(2) Sell orders of financial instruments which are not available to a client sub-account of the Bulbrokers' account in a depository institution, will be implemented after their entry in this sub-account.

Art. 67. BULBROKERS shall notify the client in advance of all material parameters of the transaction that may be entered into as a result from the client's order.

Art. 68. BULBROKERS shall execute client's orders under the following conditions:

- Immediate and accurate registration and distribution of the orders for execution;
- Immediate execution of identical client's orders under the order of their receipt, except when the characteristics of the order or the prevailing market conditions make it impossible or the interests of the client require otherwise.

Art. 69. BULBROKERS shall inform a non-professional client for the objective difficulties that have arisen obstructing the accurate execution of the orders immediately after becoming aware of them.

Art. 70. In the cases, when BULBROKERS undertook an obligation to organize or see to the settlement of an order executed by it on account of a client, it shall perform the necessary acts in order to ensure that all client's financial instruments or cash received upon the settlement are transferred immediately and accurately to accounts of the respective client.

Art. 71. BULBROKERS shall not have the right to abuse any information for outstanding client's orders and shall take all necessary measures for prevention of such abuse by any person working under a contract for investment intermediary.

Art. 72. Best execution of an order shall be achieved, when BULBROKERS made the reasonable and feasible efforts to establish the best price for the client in accordance

pentru client in conformitate cu specificatiile ordinului, valoarea venitului, posibilitatea de executie, cat si cu toate circumstantele legate de executarea ordinului.

Art. 73. Executarea cea mai buna a unui ordin plasat de catre un client non-profesional este determinata de valoarea totala a tranzactiei ce include pretul instrumentului financiar si costurile legate de executie.

2.7. GRUPAREA ORDINELOR

Art. 74. BULBROKERS executa ordinele clientului si ordinele in contul propriu in mod individual.

Art. 75. BULBROKERS executa ordinul clientului sau o tranzactie in contul propriu prin gruparea lor cu alte ordine ale clientilor, doar daca poate respecta urmatoarele conditii:

- gruparea ordinelor si a tranzactiilor se face fara prejudicii pentru oricare dintre clienti, ale caror ordine s-au grupat;
- BULBROKERS a explicat fiecarui client, ale carui ordine s-au grupat, ca aceasta grupare poate fi in dezavantajul clientului in relatie cu un anumit ordin;
- BULBROKERS aplica principiile impartirii ordinelor specificate in Politica prezenta.

Art. 76. In cazul in care BULBROKERS grupeaza un ordin al unui client cu unul sau mai multe ordine ale altor clienti si **ordinul ce rezulta din grupare este parcial executat**, va distribui tranzactia respectiva - rezultata din executarea proportionala a ordinelor.

Art. 77. BULBROKERS, dupa ce a intrat intr-o tranzactie in contul propriu cu unul sau mai multe ordine ale clientilor, nu are dreptul sa separe tranzactiile intr-o asa maniera, incat sa-i aduca pagube clientului.

Art. 78. BULBROKERS are obligatia de a luta masuri pentru evitarea dublei inregistrari a tranzactiilor in contul propriu impreuna cu ordinele clientului, atunci cand aceasta poate aduce prejudicii clientului.

Art. 79. Cand BULBROKERS intra intr-o tranzactie cu clientul in contul propriu, iar ordinul ce rezulta din grupare este parcial executat, BULBROKERS are obligatia de a diviza tranzactiile in contul clientului cu prioritate. Daca BULBROKERS poate

Art. 73. Best execution of an order placed by a non-professional client

shall be determined by the total value of the transaction including the price of the financial instrument and the expenses related to the execution.

2.7. JOINDER OF ORDERS

Art. 74. BULBROKERS shall execute client's orders and orders on its own account individually.

Art. 75. BULBROKERS shall execute a client's order or a transaction on its own account by joining them together with other client's orders, only if it can observe the following conditions:

- the joinder of the orders and the transactions shall be without prejudice to any of the clients, whose orders are joined;
- BULBROKERS has explained to every client, whose order is joined that this joinder may be disadvantageous for the client in relation to a specific order;
- BULBROKERS shall apply the principles of division of orders specified in the present Policy.

Art. 76. In the cases, when BULBROKERS joins a client's order to one or more other client's orders and **the order thus resulting from the joinder is partially executed**, it shall distribute the related transactions – result from execution of the order proportionally.

Art. 77. BULBROKERS, having joined a transaction on its own account with one or more client's orders, shall not have the right to separate the transactions thus made in a manner, which is prejudicial to the client.

Art. 78. BULBROKERS shall apply a procedure for avoiding of double distribution of transactions on its own account executed jointly with client's orders, when it is prejudicial to the client.

Art. 79. When BULBROKERS joins a client's order to a transaction on its own account and the order thus resulting from the joinder is partially executed, BULBROKERS shall distribute the transactions on account of the client with

2.8. NEEEXECUTAREA ORDINELOR

Art. 80. BULBROKERS are dreptul sa nu execute ordinele unui client, daca clientul, respectiv reprezentantul acestuia refuza sa indeplineasca cerintele conform Art.35, par.1 al Ordonantei 38, se considera ca clientul detine informatii din interior sau clientul declara ca tranzactia – ce face obiectul ordinului constituie o cumparare sau o vanzare de instrumente financiare.

Art. 81. BULBROKERS nu este obligat sa execute un ordin daca este declarat sau stabilit ca acele instrumente financiare – ce fac obiectul ordinului de vanzare nu sunt disponibile in contul clientului sau sunt blocate de institutia depozitarului, precum si in cazul stabilirii unui gaj sau a unei interdictii impusa asupra lor.

Art. 82. Interdictia conform articolului precedent in legatura cu gajul asupra instrumentelor financiare nu se aplica in cazurile urmatoare: 1. cessionarul este notificat de gajul stabilit si si-a exprimat consimtamantul expres pentru achizitia instrumentelor financiare gajate, exista un consens explicit asupra cedentului in cazurile prevazute in Legea Garantiilor Speciale; 2. Gajul este stabilit in cumul cu mentiunile din Legea Garantiilor Speciale. Interdictia cu privire la ordinele de vanzare a unor instrumente financiare care nu sunt disponibile in contul unui client nu se aplica in asemenea situatii in conformitatea cu Ordonanta.

Art. 83. Intermediarul de investitii nu are dreptul sa execute un ordin al unui client pentru tranzactionarea instrumentelor financiare, in cazul in care ar duce la incalcarea, Legii Pietelor Instrumentelor Financiare, Legii impotriva abuzului pe piata a instrumentelor financiare, Legii Mijloacelor cu Scopuri Speciale sau alte acte normative in vigoare.

3. PRINCIPIILE CELEI MAI BUNE EXECUTII

Art. 84. Ordinele ce se refera la

priority. If BULBROKERS may reasonably prove that without joinder it could not execute the order of the client under such beneficial conditions for the client or that it could not execute it at all, BULBROKERS could distribute the transaction made in proportion to it and the client.

2.8. NON-EXECUTION OF ORDERS

Art. 80. BULBROKERS shall not have the right to execute a client's order, if the client, respectively the client's representative refuses to submit the declaration under art.35, par.1 of Ordinance 38, it is declared that the client has internal information or the client declares that the transaction – subject of the order constitutes a purchase or sale of financial instruments.

Art. 81. BULBROKERS shall not have to execute an order, if it is declared or it is established that the financial instruments – subject of the sell order are not available to the client's account or are blocked in a depositary institution, as well as if a pledge is established or a ban is imposed over them.

Art. 82. The prohibition under the previous article in respect of pledged financial instruments shall not apply in the following cases: 1. the transferee is notified of the established pledge and expressed explicit consent to acquire the pledged financial instruments, there is an explicit consent of the pledge creditor in the cases provided for in the Special Pledges Act; 2. the pledge is established over an aggregate within the meaning of the Special Pledges Act. The prohibition in respect of a sell order for financial instruments that are not available to a client's account shall not apply to such cases as determined by an Ordinance.

Art. 83. The investment intermediary shall not have the right to execute a client's order for transactions with financial instruments, if it would result in violation of the Markets in Financial Instruments Act, Measures against Market Abuse of Financial Instruments Act, Special Purpose Vehicles Act or other effective legal acts.

3. PRINCIPLES OF BEST EXECUTION

Art. 84. Orders referring to financial

instrumentele financiare ce au emitent din Bulgaria si sunt tranzactionate la Bursa de Valori din Bulgaria sau printr-un Sistem Multilateral de Tranzactionare sunt executate in Bulgaria.

Art. 85. Ordinele ce se refera la instrumentele financiare ce au emitent extern si sunt tranzactionate la Bursa de Valori din Bulgaria sau printr-un Sistem Multilateral de Tranzactionare sunt executate in Bulgaria.

Art. 86. Ordinele pentru instrumentele financiare ce nu se tranzacioneaza in Bulgaria, sunt executate in strainatate, pe piata sau in cadrul Sistemului Multilateral de Tranzactionare respectiv unde se tranzacioneaza.

Art. 87. Daca instrumentele financiare sunt tranzactionate pe mai multe piete reglementate sau printr-un Sistem Multilateral de Tranzactionare, ordinul se executa pe piata in care se poate obtine cel mai bun rezultat cu putinta.

Art. 88. Criteriul principal pentru determinarea celui mai bun rezultat pentru BULBROKERS este pretul instrumentului si costurile pentru executarea ordinului.

Art. 89. Daca mai multe piete de executie ofera cel mai bun rezultat, BULBROKERS selecteaza una dintre ele in functie de experienta si practica sa.

4. FACTORI DE EXECUTARE A ORDINELOR CLIENTILOR

Art. 90. Factorii care au impact in realizarea celui mai bun rezultat sunt :

- pretul;
- costurile;
- probabilitatea de executare;
- alte circumstante in legatura cu executarea unui ordin: viteza de executare, probabilitatea de executare, volumul ordinului, altele.

Art. 91. **Pretul** instrumentelor financiare este determinat pe baza ofertelor de vanzare si cumparare si este influentat de procesul de stabilire a pretului in functie de locul specific de executare.

Art. 92. In cazul in care BULBROKERS actioneaza ca formator de piata, preturile sunt formate de el pe baza cotatiilor primite de la agentiile de informare si cotatiile in timp real, pietele reglementate, sisteme multilaterale de tranzactionare, brokeri.

Art. 93. Costurile de executie includ toate

instruments having a Bulgarian issuer and traded on the Bulgarian Stock Exchange or on a Multilateral Trading System shall be executed in Bulgaria.

Art. 85. Orders referring to financial instruments having a foreign issuer and traded on the Bulgarian Stock Exchange or on a Multilateral Trading System shall be executed in Bulgaria.

Art. 86. Orders for financial instruments, which are not traded in Bulgaria, shall be executed abroad, on the respective market or Multilateral Trading System, where they are traded.

Art. 87. If financial instruments are traded on more than one regulated market or Multilateral Trading System, the order shall be executed on the place where the achievement of best result is possible.

Art. 88. Main criteria for determination of the best result for BULBROKERS shall be the price of the instrument and the expenses for performance of the order.

Art. 89. If more than one place execution venue would bring about best result, BULBROKERS shall select one of them guided by its experience and practice.

4. FACTORS FOR EXECUTION OF CLIENT'S ORDERS

Art. 90. The factors having an impact on the achievement of best result, are:

- Price;
- Expenses;
- Probability of execution;
- Other circumstances related to the execution of the order: speed of execution, probability of execution, volume of the order, others.

Art. 91. **The price** of the financial instruments shall be determined on the grounds of the "buy" and "sell" offers and shall be influenced by the pricing process in the specific execution venue.

Art. 92. In the cases, when BULBROKERS acts as a market-maker, the prices shall be formed by it on the basis of quotations received from informational agencies and real-time quotations, regulated markets, multilateral trading systems, brokers.

Art. 93. The expenses related to the

costurile care au legatura directa cu executia ordinului, incluzand taxe pentru locul de executie, taxe de compensare si decontare, cat si alte taxe de remunerare, datorate tertilor in legatura cu executarea ordinului.

Art. 94. BULBROKERS nu are dreptul sa-si calculeze si sa incaseze comisioane intr-un mod care distinge in mod abuziv locurile de executie.

Art. 95. „Probabilitatea de executare” reprezinta probabilitatea unui ordin plasat de client de a fi efectiv executat intr-un anumit loc de executie.

Art. 96. „Viteza de executare” reprezinta perioada de timp de la plasarea unui ordin executat de client pana la confirmarea executarii lui de la locul executarii.

5. IMPORTANTA FACTORILOR

Art. 97. Importanta deosebita a factorilor de executare se determina dupa urmatoarele criterii:

- caracteristicile clientului, incluzand incadrarea acestuia ca client profesional sau non-profesional;
- caracteristicile ordinului clientului;
- caracteristicile instrumentelor financiare ce fac obiectul ordinelor;
- caracteristicile locurilor de executie , la care se refera ordinul.

Art. 98. In cadrul executarii ordinelor **clientilor non-profesionali**,

BULBROKERS determina urmatoarele proportii ale factorilor de executare:

- pretul instrumentului financiar – 80%
- costurile de cumparare/vanzare – 20%

Art. 99. In cadrul executarii ordinelor **clientilor profesionali** si a **clientilor contrapartide eligibile**, proportia factorilor pentru executare este dupa cum urmeaza:

- Un sistem multilateral de

execution shall include all expenses that are directly related to the execution of the order, including fees for execution venue, clearing and settlement fees, as well as other fees and remunerations, payable to third parties bound by execution of the order.

Art. 94. BULBROKERS shall not have right to determine and collect commission fees in a manner, which unfairly distinguishes the places for execution.

Art. 95. „Probability for execution” shall mean the probability for an order placed by the client to be actually executed at a certain place for performance.

Art. 96. „Speed of execution” shall mean the period of time from placement of an executable client's order to the confirmation of its execution from the execution venue.

5. WEIGHT OF THE FACTORS

Art. 97. The relevant weight of the factors for execution shall be determined by the following criteria:

- the client characteristics, including whether the client is determined as a professional or non-professional client;
- the characteristics of the client's order;
- the characteristics of the financial instruments, subject of the order;
- the characteristics of the places of execution, to which the order may be referred for execution.

Art. 98. Upon execution of orders of **non-professional clients**, BULBROKERS shall determine the following proportion of the factors for execution:

- price of the financial instruments – 80%
- expenses for purchase/sell – 20%

Art. 99. Upon execution of orders of **professional clients** and an **„eligible counterparty”** client, the proportion of the factors for execution shall be, as follows:

- price of the financial instruments – 60%
- expenses for purchase/sell – 30%;
- speed and probability of execution – 5%;
